

OUR STORY

The name Taj comes from the Taj Mahal in India—one of the world’s wonders—symbolizing beauty, tradition, and excellence. “Taj” means the crown, a name that reflects our passion for authentic Indian cuisine.

Taj was founded by Ritesh, who came to the U.S. from India in 2000 to study business at Troy University. After working in the corporate world for a few years, he followed his true passion—bringing the rich flavors of Indian food to the community. With the support of his family and a love for cooking, **Taj was born.**

For over a decade, we’ve been serving delicious, authentic Indian cuisine, and we’re proud to be in our third location since opening in downtown Dothan, Alabama.

Everything is cooked to order, ensuring freshness in every bite!
